

I'm talking to you
What are you singing and what is true
Keep your beliefs away from me
Hey, man, listen when I'm talking to you

Teachers, preachers, and presidents ... lies
Know what you want

We are the antiheroes living in society
Antiheroes
We are the antiheroes knocking into reality
Antiheroes

Hey, man, I'm talking to you
What are you thinking and what do you do
Keep your beliefs away from me
Hey, man, listen when I'm talking to you

... red, white, and blue

Teachers, preachers, and presidents ... lies
Know what you want

We are the antiheroes living in society
Antiheroes
We are the antiheroes knocking into reality
Antiheroes

Antiheroes

Hey, man, I'm talking to you
What are you singing and what is true
Keep your beliefs away from me
Hey, man, listen when I'm talking to you

We are the antiheroes living in society
Antiheroes
We are the antiheroes knocking into reality
Antiheroes

Antiheroes
