

It's daybreak  
And you are asleep  
I can hear you breathe now  
Your breath is deep

But before I go  
I look at you one last time  
I can hear a heartbeat  
Is it yours or is it mine?

I look at your lips  
I know how soft they can be  
Did they know what they wanted  
The times they kissed me?

And your hands  
That I held in mine  
Now they're reposing on the pillow  
Will they ever miss me sometime?

I'll remember you  
You will be there in my heart  
I'll remember you  
And that is all that I can do  
But I'll remember

Your eyes  
That always make me shiver  
Now they are closed  
They just sometimes twitch a little

And your body  
I could own for an hour  
It sent me to Heaven  
With its heat and power

I'll remember you  
You will be there in my heart  
I'll remember you  
And that is all that I can do  
But I'll remember
