

I've given you every part of me  
tried everything I could to make you see  
but you don't love yourself  
you can't love me or anyone else  
You said I was the best thing in your life  
Is that why you run, why you hide?

You will never be the cure  
and you will never change  
You will never be the cure  
and you will never change  
you will never be the cure
