

I killed a man cold dead for you again  
And we're going to the back of my head

Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on...ow...ow  
It's so easy

Outside, I ain't like no other man  
A devil come out from beneath my frying pan

Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on by  
Easy, Easy  
And I walk on...ow...ow  
It's so easy

Easy. Your so, so easy (repeat to end)
