

she said catch it, like a ball  
it'll make you stutter boy  
through your drawl

I've got a smile, but it's not mine  
I've got a smile, work hard for it  
I've got curves, that creep like a vine, I've got curves  
around you, around you  
I've got it, stuck in a place that you'll never find

she said drop it, like a ball  
and tai wanna  
loose your drawl  
she makes her hint with cathode rays, when she takes a hit  
she makes her hint with cathode rays  
his finger prints ripped off the page --  
tai wanna
