

I hate to talk like this  
I hate to act as if there's something wrong  
But I can't say  
I have this dream at night  
Almost every night  
I've been dreaming it forever  
It's easy to remember

It's always cold  
It's always day  
You're always here  
You always say  
I'm alright, I'll be okay  
If I can keep myself awake  
(keep myself awake...)

I get up early and look around me  
And can't help but wonder what you mean  
But I'm sleeping  
I'm so deep in  
So much more real to me  
Closer than reality

It's always cold  
It's always day  
You're always here  
You always say  
I'm alright, I'll be okay  
If I can keep myself awake  
(keep myself awake...)  
If I can keep myself awake  
(keep myself awake...)

I get up early  
I look around me  
I'm buying coffee by the pound  
But i'm sleeping  
So deep in it  
I can't keep myself awake  
(keep myself awake...) [to fade
