

(Stefanie) I touch the fire and it freezes me
I look into it and it's black
Why can't I feel?
My skin should crack and peel
I want the fire back
Now, through the smoke he calls to me
To make my way across the flame
To save the day or maybe melt away I guess it's all the same
So, I will walk through the fire
Cause where else can I turn?
I will walk through the fire And let it

(Noah) The torch out there is scorching me
I lay can't deny
I hope she fries I
loved when she cries
To late she let me die
Now through the smoke she comes to me
To make a way across the flame
To come and slay or maybe join the Fray
I make it all a game
Cause she is drawn to the fire
Some people never learn
And she will walk through the fire
And let it

(Stefanie) So one by one, they turn from me
I guess my friends can't face the cold

(Noah) What can't we face...

(Stefanie) But why I froze, not one among them knows

(Noah) ...If we're together.

(Stefanie) And never can be told.

So we are caught in the fire

(Noah) The point of no return

(Stefanie) So we will walk through the fire

(Noah) And let it

(Stefanie) Caught in the fire

(Noah) Burn Let it burn

(Stefanie) The point of no return

(Stefanie / Noah) So we will walk through the fire

And let it burn x3

(Stefanie) Let it burn
