

I don't think you notice
When you see my face
I guess you're waiting
To spin me around again
Wheels I guess are turning
Somewhere inside my head
I know that this is
Deeper than you get
But you're coming back again
You don't mean to waste my time
But you're coming back so
Don't tell me
How to be
'Cause I like some suffering
Don't ask me
What I need
I'm just fine
Here finding me
Me
I've already given
Up on getting through
I never question
Who I'm talking to
Oh so much for nothing
But nothing means so much
I know it's touching
But I've been out of touch
And it's all that I can do
I'm a sight for my sore eyes
But it's all I am so
Don't tell me
How to be
'Cause I like some suffering
Don't ask me
What I need
I'm just fine
Here finding me
Me
I don't think you notice
When I can't reach out
I guess you're waiting
On somebody else again
Oh so much for talking
It's all been said before
I'm hearing something
But I wish you'd just say more
But you're going off again
When I try to just hold on
But you're going off so
Don't tell me
How to be
'Cause I like some suffering
Don't ask me
What I need
I'm just fine
Here finding me
Me
