

... You're taking the fun out of everything
You're making me run, when I don't wanna think
You're taking the fun out of everything
I don't wanna think at all
... There's no other way
There's no other way
All that you can do is watch them play
... You're taking the fun out of everything
You're making it clear, when I don't wanna think
You're taking me up, when I don't wanna go up anymore
I'm just watching it all
... There's no other way
There's no other way
All that you can do is watch them play
... There's no other way
There's no other way
All that you can do is watch them play
... I'll watch you play
I'll watch you play
... There's no other way
There's no other way
All that you can do is watch them play
... There's no other way
There's no other way
All that you can do is watch them play
... There's no other way
There's no other way
All that you can do is watch them play
... There's no other way
There's no other way
All that you can do is watch them play
