

Don't stop believin',  
That you can't do nothin'  
Get yourself second-hand guitar  
And set the world on fire  
Any old axe will do  
Anything but a squire  
Rock city news  
You gotta pay your dues at the  
Rock city news  
If you want to sing the blues,  
Living on a wing and prayer,  
Out on the strip,  
Nobody cares,  
Scabbing of the valley chick,  
Sleeping on the practice room the floor  
Pretty soon the record company will be banging on your door  
Rock city news  
You gotta pay your dues  
At the rock city news  
If you want to sing the blues  
Dave!  
Rock city news,  
You gotta pay your dues  
At the rock city news  
If you want to pay to lose  
Like drinkin' booze  
You know it ain't no ruse  
Put on your dancing shoes  
And stick an ad in the rock city news,  
The rock city news
